Do not miss this popular (almost) springtime mixer at the flagship store of Curtis Lumber.

In collaboration with the Saratoga Builders Association, the Burnt Hills-Ballston Lake, Ballston Spa, and Malta Business & Professional Associations and the Chamber of Southern Saratoga County - 300 business professionals come out to mix and mingle and enjoy great food and fantastic door prizes.

While you are there, friendly Curtis Lumber staff will be on hand just in case you have any questions on home improvement projects or repairs.
